### Agenda for the Arizona Model Aviators

May 14, 2022

Meeting Started @ 9:00 AM

Secretary: Reading of the Minutes read and approved

### Reports

Membership: 249

**Safety:** Call your landings and take offs as loudly as possible as there is a lot of noise around all the pilots flying. 3D flying is only allowed over the runway when no one else is flying, you can always fly 3D over the berm with a spotter.

**Field Maintenance:** The new speakers and permanent boxes will be fabricated over the summer by Tony Malaj and Gary Bailey.

**Events:** EF-1 Race AMA Field, 05/22, Beat the Heat Flagstaff Fliers 07/28 - 31

**Old Business:** Scalemasters Nationals will be held at our field 10/20 – 23. Tim Dickey has put together sponsorship packages for local and national companies and individuals to help generate revenue for the event for AZ Model Aviators. This is a national event and will attract people from all over the country.

Jet Days was very successful with 19 pilots participating over two days. Even though this is just a low-key event we still generated \$135. Club hats and shirts are still available for purchase.

**New Business:** The monthly night flight was held last Saturday. A swap meet was suggested for the future at the club. The board will take this under consideration as it is a good idea for club members to get together and as the term says swap items.

Raffle winners – Lenny-Battery, Phil – Battery, David – plane, Kevin – plane, Dick – plane, Bill – Plane, Steve – plane, Joe – plane, Bob – motor/fan, Tom - plane

**Meet Adjourned @ . 9:30 AM**
